Visiting Scientist Follow-Up (Year 4)

Greetings from University of Puerto Rico at Mayagüez. We are following up on our “Junior scientists (JS)”. I ask you please respond to this short form regarding your visit to our campus (UPRM). To monitor our program’s accomplishment we need to periodically update and assess your visit impact.

I greatly appreciate your willingness to participate in this initiative.

Please return by _____ to our secretary maryl.jimenez@upr.edu

Thank you,

Nannette Difffoot-Carlo
